Description

If you want to create a feeling of calm them look no further. tempera on panel The still beauty of this artists paintings speak for themselves. Chris Welsh has worked almost exclusively in egg tempera since 1997. Egg Tempera involves using dry pigment, mixed with egg yolk and water, applied to an absorbent gesso ground, usually on board. The technique predates oil painting and has remarkable longevity. The wall paintings of ancient Egypt and Babylon are tempera, as are many of the paintings of Giotto, Botticelli, Raphael and Tintoretto. CLICK AND BUY OR PHONE 01326 219323 MOBIL 07913 848515
