Description

A dear little blue jug with black and white cat. Sue Thompson was born in Cornwall and studied art at Portsmouth and Ravensbourne before returning to Cornwall to study ceramics with Bill Marshall and David Metcalf. Since returning to Cornwall she has worked with children at King Charles School, Falmouth producing tile panels based on Cornish legends and stories. The sense of joy, love of bright colours and freedom of expression enjoyed by children has become incorporated into her own work. Hopefully these quirky pieces will make you smile and brighten your day. CLICK AND BUY OR PHONE 01326 219323 MOBILE 07913 848515
