Description

This great painting of two birds would bring that warm feeling to a room so typical of David Jamins style of work; this artist was born 1970 Nimes, South of France; he began drawing as a small child, later studying fine art at Calais. His work is based on the study of movement and his technique is filled with an energy and an exuberant love of life. Figurative art is always the backbone of his work, but now and then he creates some wonderful still life works which are readily snapped up by his ever growing number of collectors from throughout Europe. He is accomplished in all media but favours oil / acrylic; his paintings are strong and expressive showing a natural joy of life. # Phone now 01326 219323 to purchase this item #
