Description

Each animal is unique with its own character. If you love Richard Ballantyne's animals you will love this one for sure. In his Raku work, Richard Ballantyne's ceramics are as varied as the British climate - the work being both sculptural and functional, life size and miniature, created from Raku to high fired porcelain. Richard says of himself: "Being not only a pyromaniac, but also a bit of a magpie, my work incorporates found objects in sculpture, anything from ash from Mount St. Helens in a glaze, to stones washed up on the beach used as plinths.... Everything else tells its own story."
