Description

It's a long way down, a bit too late to think about that once you're up there!!! Oil on canvas Humour plays an important part in Thomas's work, his taste for drama turns everyday life into tragic comedy. He invites us to join him into the magical way he turns everything in life into fun. To indulge ourselves- to stop for a moment in our busy day, to stand back and allow the child inside to escape - to see the lighter side of life. Why not play hopscotch in your lunch break or climb a tree to catch a balloon, why not indeed!
