oil on canvas

Any series of museums is always very collectable from Thomas Bossard's paintings, this one is a great example. oil on canvas There is great humour in Thomas's work, he can see the funny side to almost any situation in life. The theatre has been a strong influence in his paintings as he spent many years involved in design and scenery. His pallet is traditional both in the mixing of his colours and the application of his paint to the canvas, often using a pallet knife in its width and the edge to extenuate perspective.
