Description

Description Patrick Cornée, born in Toulouse 1962 painter in mixed media. Patrick discovered his love of drawing and painting when he was a small boy, 5 years of age, it was at this time the spontaneous conception of an imaginary character revealed his sensibility and taste for artistic creation. "It was as if there was something magical inside of me that I can't explain" says Patrick. Even now, in his current work he is still influenced by a childlike attitude. "I fill my paintings with love and mystery; they have the power to give joy and happiness to those who wish to contemplate them". Exhibitions include London, Paris, U.S.A. Shanghai, Hong Kong, and many others in UK and France. Phone now 01326 219323 to purchase this item
