Description

Great fun you have had a terrific flight in your balloon and now you need to land!! So you throw out a cloud - must be filled with led!!! only this artist could come up with something like this. oil on canvas Thomas Bossard artist mainly in oils, born in Poitiers 1971, and first studying art in Belgium. The theatre has been a strong influence in Thomas paintings; he spent many years involved in design and scenery. His pallet is traditional both in the mixing of his colours and the application of his paint to the canvas, often using a pallet knife in its width and the edge to extenuate perspective. Often with great humour in his personality; for Thomas is a deep sensitive man therefore it is his nature to execute great care in each and every one of his paintings.
