Description

Who would not feel uplifted just looking at this beautiful abstract of a lake. the light, texture and palette all come together in perfect harmony. Oil on canvas Joseph Capicotto is a Canadian artist known for stunning paintings of beautiful women. His work is much sought after both here in Uk and throughout the world. Joseph has no order or form in his method. There is a lot of layering, and the layers are not in any particular order of method. It really just depends on what he feels will look best for a piece. Last year he did a wonderful series of paintings using roses petals, with stunning results. CLICK AND BUY OR PHONE 01326 219323, mobile 07913 848515
