Description

Steven painted this piece en plain air in the summer of 2019. It carries you back to a warm pleasant summers day, the striking yellow of the rapeseed complimenting the cool blues of the sky and distant tree line. Ink, acrylic and watercolour on Fabriano heavyweight paper, varnished. Heat mounted onto acid free mount board and floated in an simple but classic open box frame. Steven Buckler is a Cornish artist whose expressive mark making and bold use of colour not only captures the unique landscape in all its glory, but also the light and atmosphere for which Cornwall is famed. Steven works almost entirely on paper, favouring a high quality heavy Fabriano paper. In order to ensure the work is preserved and protected he applies a clear varnish to finished pieces and ensures that all mounting is done with specialist acid free materials. The final result is a work on paper more robust than a canvas and with the same longevity. CLICK AND BUY OR PHONE 01326 219323, mobile 07913 848515
