Description

The main focus of my work is human behaviour within society. Expressed through the use of the figure, I seek to capture intimate moments of people in their own worlds, unaware of an onlooker. In doing so, encouraging the viewer to empathize with the work' - HND Figurative Sculpture Stafford Art College, Staffordshire Though studying Figurative Sculpture, my passion for the figure was established. With traditional teaching in modelling and drawing from life, portraiture accompanied by Anatomy lectures, I gained a broad foundation of skills. Using long- established methods of mould making. I cast the pieces into a variety materials including, bronze, resin and ceramics. # Phone now 01326 219323 to purchase this item #
