WORK ON PAPER

This beautiful mono print hand painted by the artist was a study for a Church window. Graham Jones created 12 unique works, one for each of the twelve windows in the church. He is known worldwide for his skills in working with glass, his work spans from medieval as with Westminster Abbey to major corporations such as Smithline Beecham, ICI and Shell oil. Within Jones lies the true soul of an emotional painter, his love of glass and his insistence that art should not be dictated by the medium has led him to push the boundaries of convention with the great glass workshops of Europe. Graham Jones has won many prizes for his work.
