Description

This dreamlike painting has a quiet calm presence. It seems to give us a glimpse into a narrative; a sense reinforced by the title. In the foreground the rich textures and colours describe a grassy hillside. The strong use of light and shadow creates a wonderful illusion of depth and the simple, broad brush strokes of the background perfectly compliment the energy and detail of the foreground. Ink and acrylic on Fabriano heavyweight paper, varnished. Framed in a simple but classic white glazed wood box frame. Steven Buckler is a Cornish artist whose expressive mark making and bold use of colour not only captures the unique landscape in all its glory, but also the light and atmosphere for which Cornwall is famed. Steven works almost entirely on paper, favouring a high quality heavy Fabriano paper. In order to ensure the work is preserved and protected he applies a clear varnish to finished pieces and ensures that all mounting is done with specialist acid free materials. The final result is a work on paper more robust than a canvas and with the same longevity. **CLICK AND BUY OR PHONE 01326 219323, mobile 07913 848515**
