Description

Acrylic on canvas The beautiful light and shade in this city scape is a fine example of Richard Poumelin's work. Richard Poumelin's postmodern - impressionist approach consists of creating an ambiance of colours dotted with light. Between curves vertical lines he creates a "world apart" a high structured world. His work is full of emotion and vibration. His quest for absolute truth paves the way for an intense lyricism. In addition to his acrylic and watercolour painting, Richard is an accomplished guitarist and the viewer will sometimes find musical themes in his paintings. Expressed or not, this sensitivity is never absent, and nourishes each of his paintings. CLICK AND BUY OR PHONE 01326 219323, mobile 07913 848515
