Description

There you are just about to get your lovely picnic out and all of a sudden those big black clouds appear charcoal on paper Thomas Bossard artist mainly in oils, born in Poitiers 1971, and first studying art in Belgium. The theatre has been a strong influence in Thomas paintings; he spent many years involved in design and scenery. His pallet is traditional both in the mixing of his colours and the application of his paint to the canvas, often using a pallet knife in its width and the edge to extenuate perspective. Often with great humour in his personality; for Thomas is a deep sensitive man therefore it is his nature to execute great care in each and every one of his paintings.
